**The Editors @JIST : Creating Your High School Portfolio: A Guide for Documenting and Planning Your Education, Career, and Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creating Your High School Portfolio: A Guide for Documenting and Planning Your Education, Career, and Life:

0 of 0 people found the following review helpful. A waste of time and money.By WyogaThis is a stupid book. It talks to students as if they are idiots and it advises them to make many things that they really won't use in the real world.

And it uses bad science (promoting learning styles when that is a myth). Don't waste your time or money.
