an expert in his field. I also highly recommend his web site and youtube videos. The book is filled with wonderful ideas and easy to follow exercises. 0 of 0 people found the following review helpful. AWESOME! By karen I just started this book, but I love the way it is written and I love what I am learning. This doc REALLY knows what he is talking about. My eyesight is rapidly improving from his teaching! I also took a class with him and learned a ton! 0 of 0 people found the following review helpful. Great book. Fantastic exercises with solid information about the ... By Bonnie LMT Great book. Fantastic exercises with solid information about the eyes and eyesight. I have attended a class with Dr. Berne and this book adds even more. Great value. Thank you!
