Rebecca Martin : Critical Insights Film: Bonnie Clyde before purchasing it in order to gage whether or not it would be worth my time, and all praised Critical Insights Film: Bonnie Clyde:

Directed by Arthur Penn and starring Warren Beatty and Faye Dunaway as the infamous gangster duo, 1967's Bonnie

and Clyde helped pave the way for the New Hollywood school of filmmaking, given its rapid shifts of tone, portrayal of sex and violence, and popularity with a younger audience. Earning two Academy Awards, a place in the National Film Registry, and the claim to one of the bloodiest death scenes in cinematic history, *Bonnie Clyde* still remains a classic today.

About the Author Rebecca Martin, PhD, is Professor of English at Pace University in New York. She writes about detective fiction, the gothic novel, and film.
