Detailed and well written.By Alejandro SantiagoThe perfect tool to get you started on the right path to start a career in the cruise ship industry.0 of 0 people found the following review helpful. There is a little bit of good information hereBy KiernanF.SandersThere is a little bit of good information here, but not very much. Very light discussion on what it's like to live and work on a cruise ship, and a small overview of only American-based cruise lines. Not particularly broad or carefully put together. Definitely not worth \$15!

Are you a US citizen? Ever wanted to work on a cruise ship? Want to learn how- in a book you can read in WELL under an hour? Learn how from someone who has worked on 9 cruise ships.
