**Emma Carlson Berne : Crustaceans (My First Animal Kingdom Encyclopedias)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crustaceans (My First Animal Kingdom Encyclopedias):

Presenting crabs, shrimp, lobsters, barnacles, and krill! Crustaceans is an eye-catching animal-science reference book for young readers and browsers. Covering all the basic topics, including habitat, anatomy, and diet, Crustaceans allows kids to get up close and learn all about these hard-shelled marine animals through vibrant photos and clear, concise text.

About the AuthorEmma Carlson Berne has written numerous historical and biographical books for children and young adults, as well as young adult fiction. She lives in Cincinnati with her husband and two sons.
