ExcellentBy christiane mcmullenThe presentation is beautiful, very original and very varied, The history of the various sites and areas of France with their variety of cuisine, the photography, the recipes, everything is very well presented. My little niece, 9 years old who loves France cannot put it down. The present was to her mother who has had little chance to look at it yet!! I highly recommend it to lovers of France, its history and its wonderful cuisine.0 of 0 people found the following review helpful. Must Have Book for FrancophilesBy Matilda TwainThis is an incredible book and you will not regret buying it. The photography is breathtaking and the recipes intriguing. P

Culinaria France invites the reader to a culinary journey through this paradise for gourmets. You can take a look at Paris' top gastronomy, learn about the origins of rural cuisine, breathe the air of Provence, and peak into the nets of Frances fishermen on the northern coasts. Lavishly illustrated with wonderful photographs, this volume provides a living portrait of French specialties and whets the appetite for culinary pleasures a la francaise.

Culinaria France H. F. Ullmann French cuisine is a complex and dedicated art, treasured by its practitioners. "Culinaria France" is a full color exploration of the concepts of authentic French cooking from farm to table as every aspect of the process is explored from many different regions of the country and how they differ in creating their exquisite and famed cuisine, with some recipes spread throughout on how to best emulate these dishes oneself around the world. "Culinaria France" is an absolute must for any fan of French cuisine who wants to learn more or apply some of the principles themselves, enthusiastically recommended.
