Culinary Arts Institute : Culinary Arts Institute Encyclopedic Cookbook (1969) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Culinary Arts Institute Encyclopedic Cookbook (1969):

0 of 0 people found the following review helpful. THIS IS A NECESSARY RESOURCE, BUT NOT YOUR "REGULAR" COOKBOOK. By Dorothy Schelske I used to own an earlier edition, and bought this to replace its loss. This is not my everyday cookbook. (I actually can cook pretty well without recipes.) This cookbook is rather a go to when I have an inspiration for something that I can't find elsewhere. It really is encyclopedic. It also harkens back to the days when things were homemade rather than making things by dumping cans into a crockpot. It is also a great read for general learning and inspiration. 0 of 0 people found the following review helpful. Five Stars By Mindy Walters Love the retro ness of it!!!

1967 Edition in excellent vintage condition. A very thick book! There is 25% restocking fee on returns.
