2 of 2 people found the following review helpful. Fabulous CookbookBy M. ConantThis is a great cookbook for the novice especially but also for seasoned cooks who like to try different recipes. This book is more like an encyclopedia of cooking and entertaining as well as having the most diverse recipes. I have used this book for over 30 years and have given it to several of my relatives and friends. You will not be disappointed if you purchase this book. In fact, I have found many recipes in this book that people were not willing to share.0 of 1 people found the following review helpful. One StarBy Sheryl A.
