Andrey Taranov : Danish vocabulary for English speakers - 9000 words before purchasing it in order to gage whether or not it would be worth my time, and all praised Danish vocabulary for English speakers - 9000 words:

0 of 0 people found the following review helpful. Hard to a specific word when needed, but OK for browsing-type self studyBy KensingtonianThis is truly more of a vocabulary list by subject, rather than a dictionary. The translated equivalences seem Ok as far as it goes, but because of the thematic structure you really can't use this as a reference dictionary when you happen upon an unfamiliar word. For example, if you wanted to know the Danish word "rabbit",

you can't just go to the "R" section alphabetically. Instead you have to think about what category the publisher might have plopped the word into. If you thought the "animal" section you'd be wrong. The publisher actually places rabbit under the "food" section with its Danish equivalent "kanin" listed there. Not that it's a problem listed as food, but a cross reference would be nice. As it is the category isn't always intuitive. The truly frustrating part is the themed sections aren't in a readily apparent order either. At best this is like a bunch of thematically sorted flash cards in book form. Confused? Yes so was I. 3 of 3 people found the following review helpful. Quick reference for everyday usage
By LovesBooks
Great vocabulary book for quick reference. I really appreciate that the words are grouped in categories like life events, arts, travel. Plus the most common verbs are listed, along with adjectives, numbers and even a pronunciation guide.
2 of 3 people found the following review helpful. Even a simple word like "goddag" is wrongly transcribed
By Farley
Use it for the vocabulary only. The pronunciation/transcription is inaccurate. As a matter of fact, the reviewer who reviewed the Swedish book of the same kind complained about the same thing. This book is no different. There are mistakes. I haven't checked the whole book, but the little I saw is discouraging. Even a simple word like "goddag" is wrongly transcribed. The right pronunciation is [gudej] not [god:] As I said, for the vocabulary is OK

9000-WORD ENGLISH-DANISH VOCABULARY Knowing and understanding around 9000 Danish words will give you the ability to read and write with only the minimal use of a dictionary. This knowledge will foster your ability to express your thoughts during conversation in a precise and accurate way. With a little practice and with the added help and experience of having viewed many Danish films, you will be proud and amazed at your new level of Danish. You will now see your language level improve to the point where you can say: Danish? Absolutely! I know it very well. TP Books vocabularies are intended to help you learn, memorize and review foreign words. The dictionary contains over 9000 commonly used words. Recommended as additional support material to any language course. Meets the needs of both beginners and advanced learners. Convenient for daily use, reviewing sessions and self-testing activities. Allows you to assess your current vocabulary. This book can also be used by foreign learners of English. Special features of TP Books bilingual vocabularies: Words are arranged according to their meaning, not alphabetically. Content is presented in three columns to facilitate the reviewing and self-testing processes. Each theme is composed of small blocks of similar lexical units. The vocabulary offers a convenient and simple transcription for each foreign word. This revised edition (June 2016) contains 256 topics: Basic Concepts, Numbers, Colors, Months, Seasons, Units of Measurement, Clothing Accessories, Food Nutrition, Restaurant, Family Members, Relatives, Character, Feelings, Emotions, Diseases, City, Town, Sightseeing, Shopping, Money, House, Home, Office, Working in the Office, Marketing, Sports, Education, Computer, Internet, Tools, Nature, Countries, Nationalities and more. Our Danish collection includes also vocabularies of 3000, 5000 and 7000 words. All these titles are available as printed books and e-books. For more information please visit www.tpbooks.com.
