This edition contains the Latin text of most of the surviving parts of Cicero's most elaborate philosophical dialogue, *De re publica*, together with a full commentary explaining the philosophical and historical argument, and elucidating the grammar and style. *De re publica* is a major document in the history of European political theory, and a masterpiece of Ciceronian style. This is the fullest commentary ever to appear in English.

"Invaluable for students of Roman philosophy and political theory who read *De Re Publica* in Latin." Religious Studies Language NotesText: Latin, English
