Loy Harrell : Decoys: Sixty Living and Outstanding North American Carvers before purchasing it in order to gage whether or not it would be worth my time, and all praised Decoys: Sixty Living and Outstanding North American Carvers:

1 of 1 people found the following review helpful. Great Reference Book with History By dale Terrific Book which allows comparisons of some excellent carvers and painters. Each carver shows one species (Wood Duck Drake) so that the reader can look at the particular style of the carver. The pictures are excellent and this book is well worth the price. I find it an indispensable reference book. 0 of 0 people found the following review helpful. Four Stars By Customer OK 0 of 0 people found the following review helpful. very happy.
