Joint Chief Of Staff : Department of Defense Dictionary of Military and Associated Terms before purchasing it in order to gage whether or not it would be worth my time, and all praised Department of Defense Dictionary of Military and Associated Terms:

The Joint Publication 1-02, Department of Defense Dictionary of Military and Associated Terms sets forth standard US military and associated terminology to encompass the joint activity of the Armed Forces of the United States. These military and associated terms, together with their definitions, constitute approved Department of Defense (DOD) terminology for general use by all DOD components.

About the Author The Department of Defense oversees the U.S. Army, Navy, Marine Corps, and Air Force. It is headquartered at the Pentagon.
