**Federal Street Press : Desk Reference Set** before purchasing it in order to gage whether or not it would be worth my time, and all praised Desk Reference Set:

0 of 0 people found the following review helpful. great graduation giftBy Jennifer AlexanderEven with all of these features available online, my daughter loves the convenience of having this on her desk at college. There's just something about having a book in your hand that she prefers. She said it is easier than opening additional tabs/windows on her computer while she is in the process of writing a paper.
