Too many answers filled in By Library Lady The description was truthful, but I didn't realize the whole first half would be useless to me because the answers were already present. 0 of 0 people found the following review helpful. Five Stars By D. Novak arrived as promised 0 of 0 people found the following review helpful. As Good As It Gets By Mr. Dan Excellent method. This series and all the materials are really unsurpassed. I watched the series right thru a couple times as it was quite entertaining and all of the materials (Book, both workbooks and accompanying workbooks) were without a doubt effective. I am not sure what else could be expected of an educational resource.

This video-based text for Beginning Spanish underscores McGraw-Hills reputation for developing groundbreaking language materials. Based on 26 hours of an engaging video drama that takes viewers around the Spanish-speaking world, Destinos is an effective program that can be used successfully in Spanish classes, as a college course for distant learners, and by individuals studying on their own.
