I use a borrowed textbook for actual studying purposes.1 of 1 people found the following review helpful. Five StarsBy Shlyni can speak somewhat fluent german now, but it was for a german college class.0 of 1 people found the following review helpful. Book does not come with enhanced features as advertisedBy AnnaThe book is ok, not great there are better textbooks with more clarity. This is marketed as "Enhanced Edition" and they charge you more money but it's a rip off because the book key they send you when you rent the book does not work anymore. Don't rent the enhanced edition because it won't work and you won't have access to any of the audio. These books are so overpriced and they gouge low-income students for every nickel and dime they can get.

NOTE: This ISBN does not contain access code and it includes only print book. DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on listening, speaking, reading, and writing. Manageable for two-semester courses, the 10th Edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German-speaking countries through a cast of recurring characters who appear in the "Bausteine für Gespräche" (dialogues) and in some readings and exercises.

About the Author Jack Moeller is retired from Oakland University after many distinguished years of excellence in teaching. He continues to be involved in the revision process of DEUTSCH HEUTE and KALEIDOSKOP to ensure the quality and integrity of the program. Simone Berger, formerly an instructor at Tufts University, has returned to Germany. She provides invaluable input for authentic readings, realia, and contemporary German language. Gisela Hoecherl-Alden teaches in the Department of Modern Languages and Comparative Literature's German section, and collaborates with all language programs at Boston University in her role as Assistant Dean and Director of Language Instruction. Seth Howes is assistant professor of German in the Department of German and Russian Studies at the University of Missouri-Columbia. In 2013, while visiting assistant professor at Oakland University, he joined the Deutsch heute author team and contributed information for instructors regarding the ACTFL standards for foreign language learning. Winnie Adolph teaches at Florida State University. Her experience enables her to provide creative learning activities for the text and Internet.
