**Jack Moeller, Thorsten Huth, Gisela Hoecherl-Alden, Simone Berger, Winnie Adolph : Deutsch heute (World Languages)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Deutsch heute (World Languages):

By QuinnIts is a text book after all, still, I think the book is poorly ordered for a language book and rather confusing at times. 2 of 3 people found the following review helpful. Doesn't come with the CD! By EricI bought this book new at my college bookstore which set me back \$288. I thought that I could get it cheaper somewhere else and looked online and found this on for more than \$100 cheaper. I thought I hit the jackpot by saving \$140 bucks, but I got the book today and it wasn't wrapped like how I got it at my bookstore and it didn't come with a CD, which I can only assume will be necessary for my class. I'm very disappointed and if I go to class tomorrow and find out that the CD is in fact needed, I will probably need to ship this back and keep my book from the bookstore, because even though it was significantly more expensive, I'm not

going to get cheap with my education and let not having the CD potentially put me at a disadvantage. 1 of 3 people found the following review helpful. Nice book

This book is whatever I want it. It is a good book with a good quality. It is good to have it.

DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on building listening, speaking, reading, and writing skills. Manageable for two-semester courses, the Tenth Edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German speaking countries through a cast of recurring characters who appear in the "Bausteine fr Gesprche" (dialogues) and in some readings and exercises.

About the Author  
Jack Moeller is retired from Oakland University after many distinguished years of excellence in teaching. He continues to be involved in the revision process of DEUTSCH HEUTE and KALEIDOSKOP to ensure the quality and integrity of the program.  
Thorsten Huth holds a Ph.D. in German Applied Linguistics from The University of Kansas. He teaches German and Linguistics at The University of Tennessee, Knoxville. His research interests are in Pragmatics, Second Language Acquisition, and Language Teacher Education.  
Gisela Hoecherl-Alden teaches in the Department of Modern Languages and Comparative Literature's German section, and collaborates with all language programs at Boston University in her role as Assistant Dean and Director of Language Instruction.  
Simone Berger, formerly an instructor at Tufts University, has returned to Germany. She provides invaluable input for authentic readings, realia, and contemporary German language.  
Winnie Adolph teaches at Florida State University. Her experience enables her to provide creative learning activities for the text and Internet.
