**Carl McDaniels, Ferguson : Developing a Professional Vita or Resume** before purchasing it in order to gage whether or not it would be worth my time, and all praised Developing a Professional Vita or Resume:

A professional quality vita or resume can be the key to getting hired or obtaining a promotion, and it is just as important for senior professionals as it is for people entering the workforce. Developing a Professional Vita or Resume helps readers make the most of this crucial career tool. Not just another resume book, this volume is designed for the professional who frequently needs a formal summary of education and work background.

About the AuthorCarl McDaniels is noted career expert who has served as a counselor educator for more than 45 years. He has served as president of the Virginia Career Development Association as well as the National Career

Development Association.
