Mercy V. Chaita : Developing Graduate Employability Skills: Your Pathway to Employment before purchasing it in order to gage whether or not it would be worth my time, and all praised Developing Graduate Employability Skills: Your Pathway to Employment:

0 of 0 people found the following review helpful.) Got it like 3 months agoBy SarahIt's very helpful for fresh graduates :)Got it like 3 months ago, just had the time to read it0 of 0 people found the following review helpful. Five StarsBy ABDULHAKIM A. ALNASHMITHanks

This book is more than a prescription for success in developing employability skills and provides guidance on topics of relevancy to the employment environment. This book is unique and distinguished from similar books in that it

provides a hand-holding approach which is complemented by solid case studies emphasizing the perspectives of employers. In addition, the book focuses on a broad-based audience, starting from the grassroots audience of graduates. However, as the book progresses, the techniques provided address issues that relate to any job seeker, be it jobless or merely seeking change of employment. The audience will benefit from models such as Skills Audit, Interview techniques and the whole employment process from pre-interview preliminaries to completing a successful probationary period.
