From Brand: American College of Physicians : Diagnostic Strategies for Common Medical Problems before purchasing it in order to gauge whether or not it would be worth my time, and all praised Diagnostic Strategies for Common Medical Problems:

0 of 0 people found the following review helpful. Five Stars By Muddasir Ayaz Excellent read - highly recommended

for anyone who has an interest in diagnosis and testing 0 of 0 people found the following review helpful. Pretty good condition
By Loren R. I'm using this book as a reference for my Internal Medicine Board studying. The book was reasonably priced and easily accessible. I will buy from again!

Diagnostic Strategies for Common Medical Problems, second edition, presents the best diagnostic strategies for 51 of the most common patient presentations you're likely to see in a clinical setting. Each chapter is presented in a clear, concise format, allowing you to get the information you need quickly and easily. Filled with practical and cost-effective pathways to solve the problems you see every day, Diagnostic Strategies is an essential tool for any primary care provider.
