book of rhyming endings -- which it certainly is -- it is actually more than that. It gives a clear and useful overview of Spanish grammar, broken down simply and logically indexed. This is a natural choice for every home or classroom library. 0 of 0 people found the following review helpful. Five Stars By Santiago Rodriguez Excelente!

El verso convierte las palabras en una expresin artstica que busca la belleza y el sentimiento, pero est sujeta a ciertas medidas y cadencias propias. El Diccionario De Composicin Potica es una herramienta para auxiliar al escritor a encontrar la msica interior de las palabras. Facilita al escritor dar con la palabra exacta del final de un verso y hacerla coincidir con la mtrica de la estrofa, gracias al conteo de slabas y de ajuste final. Por ltimo, sirve para confirmar que el significado con el que se aplica es correcto.
