Richard Whiting : Dictionary and Phrasebook of French Medical Terms: With An Introduction to the French Medical System before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary and Phrasebook of French Medical Terms: With An Introduction to the French Medical System:

0 of 0 people found the following review helpful. Five StarsBy Louise GrandouillerUseful lexicon.5 of 5 people found the following review helpful. French Medical Terms DictionaryBy NedGood dictionary, a bit expensive, but my wife found it very helpful in her french medical interpreter work.

Essential language for communicating with pharmacies, doctors, and hospitals in FranceA clear introduction to this reference explains the French medical system, the procedure to follow, and your entitlements, whether you are a French resident or a visitor. It gives a step-by-step guide to registering with a doctor, claiming prescriptions, and getting emergency treatment. It includes hundreds of words that aren't found in an ordinary dictionary, in order to help readers describe ailments and conditions, while the phrasebook and pronunciation guide will save readers from struggling with language in difficult circumstances and help to avoid misunderstandings. Comprehensive and easy to use, this is one book a traveler in France won't want to be without.

"There is a wealth of information for the would-be DIY expert or newly appointed project manager... This is what we have all been waiting for' Living France magazine"About the AuthorRichard Whiting has spent more than half his working life in France. He has researched and updated Buying a Home in France, and Living and Working in France, and contributed to The Best Places to Buy a Home in France. He is also the author of Buying and Renovating a Property in France, The Homeowner's Guide to Living in France, and Starting a Business in France.
