**Bunmi Adebayo : Dictionary of African Names Vol.1: Meanings, Pronunciations and Origin** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of African Names Vol.1: Meanings, Pronunciations and Origin:

2 of 2 people found the following review helpful. This book is an excellent resource for expecting parents that would like their child's ...By Sean LiburdThis book is an excellent resource for expecting parents that would like their child's

name to reflect their cultural heritage. As the descendants of Africans some of us have lost our names and learning the importance of one's name make this dictionary an essential part of one's library. It is also a good cultural and historic source of information. I recommend this book for anyone who has an interest in knowing thyself. 0 of 0 people found the following review helpful. Three Stars By Customer It is a good book but limited in names. 1 of 1 people found the following review helpful. love this book By A Customer I think this book is very cultural. I like reading and learning new things every day now I know African names. From your daughter Oyin

This book publishes thousands of African names, their ethnic and country of origin, and English phonetic pronunciation. The book is for those interested in African names and general readers seeking more knowledge about African culture or willing to recapture African heritage through name. It is a thorough exposure of African names and meanings. It encourages and stimulates people of both African and non-African descent into feeling comfortable about taking on such names.
