Laurence Urdang : Dictionary of Confusable Words before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Confusable Words:

1 of 1 people found the following review helpful. Invaluable sourceBy PippaHave hunted for this volume for years, since losing my original. So happy to have it again. It has EVERYTHING in it. My niece is a court reporter and I got it for her, too. She says it is invaluable to her work. Please keep it in print! There are others with similar titles, but none are as comprehensive and useful as this one is. I keep it where I can constantly browse it and remind myself of the wonderful traps in our great language.
