Bob Burton : Dictionary of Espionage and Intelligence: Over 800 Phrases Used in International and Covert Espionage before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Espionage and Intelligence: Over 800 Phrases Used in International and Covert Espionage:

From Bob Burton a former member of both the civilian and military intelligence communities and Americas most feared bounty hunter comes the complete lexicon of over 800 terms and meanings used in international and covert espionage. Dictionary of Espionage and Intelligence includes the most up-to-date terminology of special operations from A to Z, including: Breaktime: The time it takes to break down the resistance level of a subject in an interrogation of a brutal nature usually 5-7 hours Hero Project: A project, operation, or extraction considered too dangerous, with only the most skilled personnel able to pull it off. Cake or Death: An unspoken but soon-realized ultimatum that a prisoner of the spook war understands as his personal fate cooperate or die. Compiled by a man who knows covert action and clandestine warfare from the inside out, Dictionary of Espionage and Intelligence is a perfect compendium of the secret language spoken by those who fight the silent war.

About the Author Bob Burton, Americas #1 bounty hunter, with several thousand arrests to his credit, is an ex-Force Recon Marine and the author of several bail enforcement instruction books. He lives in West Palm Beach, Florida.
