International Business Terms (Barron's Business Guides):

Updated to reflect the most recent trends, trade agreements, cartels, and innovations in international business, this handbook defines approximately 5,000 terms related to the international marketplace. Definitions and explanations focus on international finance and marketing, foreign exchange, import/export, trade organizations, and much more. It's a handy quick-reference source for business professionals and students, and useful for training programs in international business management.
