Who wrote this????By Mauro CorbaniWho wrote this book probably doesn't know how in Italy people speak. by the way I'm Italian and I live in California from 2006 so ... I know my language.Some example: ABRAMUCCIO??? who uses this word in Italy?? maybe in her family. -- ACCANNARE??? Where in hell she got this .. the right expression is: CANNARE .. ACCHIAPPANZA????? what, who says this? an expedition for picking up girls??? what the hell is she writing? but let's go on ... ACCHITTARSI???? ACCHITTATO???? ACETO??????? Please ... don't use these words. we don't use them in Italy. There are some words in the book that we actually use but are less then 300. And if you are gonna use

some of those 300, be careful ... you can receive a fist in your face
