Daniela Gobetti Ph.D. : Dictionary of Italian Slang and Colloquial Expressions before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Italian Slang and Colloquial Expressions:

0 of 0 people found the following review helpful. Unfortunately the more than 4000 words in this dictionary of ...By StefanoUnfortunately the more than 4000 words in this dictionary of slang did not include a word from a children's book, specifically "scompisciarsi" for which I had to contact a native speaker to obtain a translation. Apparently there is another book of Italian slang, "Slang Italiano - Americano" that contains this word but is really over-priced.0 of 0 people found the following review helpful. Great Book!By AntchipFast Shipping, Great Product, Reasonable shipping rates. Packaged well. Excellent Purchase!17 of 17 people found the following review helpful. Who wrote this????By Mauro CorbaniWho wrote this book probably doesn't know how in Italy people speak. by the way I'm Italian and I live in California from 2006 so ... I know my language.Some example: ABRAMUCCIO??? who uses this word in Italy?? maybe in her family. -- ACCANNARE??? Where in hell she got this .. the right expression is: CANNARE .. ACCHIAPPANZA????? what, who says this? an expedition for picking up girls??? what the hell is she writing? but let's go on ... ACCHITTARSI???? ACCHITTATO???? ACETO?????? Please ... don't use these words. we don't use them in Italy. There are some words in the book that we actually use but are less then 300. And if you are gonna use some of those 300, be careful ... you can receive a fist in your face

Textbook knowledge of a language will only take you so far. Most languages have a large amount of slang utilized by those who are native-speaking. Here is a volume that lists approximately 4,500 common slang words and colloquial expressions. Entries include grammatical information, the definition in English, a sentence or phrase to illustrate usage, and an English translation of the example and, where applicable, a corresponding English slang expression. Each entry also identifies the word or phrase by type: student of youth slang, political slang, lieterary slang, and criminal and drug-related slang. Because of the nature of slang, this book might contain certain expressions that some readers might find offensive.
