From Gale : Dictionary of Literary Biography: Russian Writers Since 1980 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Literary Biography: Russian Writers Since 1980:

This award-winning, multivolume series is dedicated to making literature and its creators more accessible to students and interested readers, while satisfying the standards of librarians, teachers and scholars. The series systematically presents career biographies of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods. Entries are written by experts in the field and include detailed primary and secondary

bibliographies and illustrations.

"Titles like Gale's Dictionary of Literary Biography should never be weeded because their value lies precisely in owning the entire set"
