The Editors of Real Simple Magazine : Dinner Made Simple: 35 Everyday Ingredients, 350 Easy Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Dinner Made Simple: 35 Everyday Ingredients, 350 Easy Recipes:

42 of 43 people found the following review helpful. Lovely and SimpleBy Bluerose's HeartMost importantly for me, all the recipes have a color picture with it AND the recipes are super simple.At the end of last year, I started an eating plan that was super healthy, but it's not one that my children need to follow completely. I needed new ideas for them in order to give them home cooked and nutritious meals, without causing them to lose weight with me. I also don't have a ton of time to spend in the kitchen, so simplicity is hugely important for me. (I'm a homeschooling mama to 3 little ones. My leftover energy is minimal.)This cookbook has given me tons of new ideas for my family. Since there's pictures with every meal, it's easy to let my little ones pick out something they want to try. Since the recipes are so simple, it makes it easier to include that child in the preparation of the meal, too. Win!The set-up of this cookbook is that it takes a specific ingredient, and then gives you 10 recipes that include that ingredient. For example, broccoli is the spotlight in one, and you'll get 10 ideas for a dish that includes broccoli.The 35 spotlight ingredients are: Apples, Avocados, Baked Ham, Bass, Beans, Broccoli, Butternut Squash, Carrots, Chicken Cutlets, Chicken Thighs, Corn,

Eggs, Flank Steak, Ground Beef, Ground Turkey, Italian Sausage, Kale, Mozzarella, Oatmeal, Pizza Dough, Pork Tenderloin, Potatoes, Quinoa, Ricotta, Rotisserie Chicken, Salad Greens, Salmon Fillets, Shrimp, Sirloin, Smoked Salmon, Spaghetti, Tilapia, Tomatoes, Tortillas, and Zucchini

For desserts, you'll get 10 different recipes each for Cookies, Bars, and Beyond/Cupcakes/Pies. There isn't a specific ingredient for these, but you'll get a nice little variety. There's plenty of recipes I won't be trying for my family, like tilapia, but most of them look promising, and I'm excited to try new things for my little family. It's a lovely cookbook, but it looks like great effort has been made to keep the whole thing simple and minimal.

3 of 3 people found the following review helpful. Just as I'd hoped it would be

By Border Collies Rock Love the recipes in this book. Can't wait to try them out.

Very down to earth meals. You'll love it.

0 of 0 people found the following review helpful. OK if have specialty stores to ferret out the ingredients.

By Cheryl Howell I love to cook and thought I would love this book but the recipes are for weird stuff that most people, including me, don't find that appealing. Sorry! I returned this book. Some of the required ingredients were difficult to find at the grocery, you had to go to specialty (\$\$\$) stores.

Think you'll never win at weeknight cooking? Think again. Your favorite ingredients are deliciously reimagined in Real Simple's latest cookbook that shows you how to spin 35 family staples into hundreds of hassle-free dishes. Organized from apples to zucchini, Dinner Made Simple is filled with 350 easy, quick dishes-many ready in 30 minutes or less-to help you get out of your recipe rut. With 10 ideas for every ingredient, you'll never look at a box of spaghetti, a bunch of carrots, or a ball of pizza dough the same way again. With helpful advice on buying and storing ingredients, genius kitchen tips, nutritional information for every recipe, and a complete dessert section (yes!), Dinner Made Simple is your new go-to resource for creating inspiring dishes all week long.

"A beautifully streamlined cookbook with lots of easy meal ideas." - Shelf Awareness

"A home cook's treasured keepsake with its apples-to-zucchini spread of delicious, easy options. Readers will enjoy the straightforward recipes." - Publishers Weekly
