It was a fun read! For someone who has been studying way too much "clean" Italian text, this book was a highly entertaining learning experience. The phrases are useful and very easy to remember. Almost everything "dirty" I wanted to say was in the book. A must read for any Italian language student.

What's the first question someone asks when learning a new language? "What are some swear words and fun phrases?" Well, this is the book to answer those (and more!) questions! When Italian class is sparse (3 or fewer students show up) or the group is just "done" with all the learning, we pull this little gem out and it adds a bit of life to the party. Definitely adult-themed....

I got this along with several other Italian books. I was not expecting it to be so dirty. Not complaining though! This helped me supplement what the Italians would not teach me. Just cannot beat a real Italian to learn the language. They just won't teach you everything. :)

GET DIRTY
Next time you're traveling or just chattering in Italian with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including:
Cool slang
Funny insults
Explicit sex terms
Raw swear words
Dirty Italian teaches the casual expressions heard every day on the streets of Italy:
What's up?
Come va?
He's a real hottie.
Lui e proprio un figo. This pizza's awesome!
Questa pizza e buonissima!
I'm totally wasted.
Soo sbronzo. I gotta piss.
Devo pisciare. Hey ref, you're an asshole!
Arbitro cornuto!
Wanna do it doggy-style?
Lo facciamo alla pecorina?"
