From Brand: Modern Language Association of America : Disability Studies: Enabling the Humanities before purchasing it in order to gage whether or not it would be worth my time, and all praised Disability Studies: Enabling the Humanities:

0 of 0 people found the following review helpful. Five Stars By Ben Conner The book arrived on time and as advertised. 0 of 1 people found the following review helpful. well written! By Tamar Raine Have only read a little so far, but seems really well written!

Images of disability pervade language and literature, yet disability is, as sex was in the Victorian world, the ubiquitous unspoken topic in today's culture. The twenty-five essays in *Disability Studies* provide perspectives on disabled people and on disability in the humanities, art, the media, medicine, psychology, the academy, and society.

"This collection--combining scholarship, moral seriousness, and wit--is an exemplary introduction to the politics and the pedagogy of disability studies."
