This book gives very clear information and advice on the divorce process. Clearly written, thorough and insightful. Kessler is an accomplished divorce attorney and knows his stuff, but the writing is conversational and easy to understand. Tells you what you need to know and gives excellent advice on

protecting yourself. He's also not afraid to give advice on avoiding running up an attorney's bill, which I'm sure most people in a divorce will appreciate. 2 of 2 people found the following review helpful. Highly recommended classic how-to for those considering divorce! By Customer I highly recommend Attorney Kessler's book, *Divorce: Protect Yourself, Your Kids, and Your Future* for anyone even simply thinking about making an important life-change like divorce. This concise pocket-book sized manual is easy to read and follow and a wonderfully written how-to from A-Z on approaching divorce and making the best choices. He very carefully takes you through the steps, from start to finish, so you will become well informed about what to expect during this process and how to make decisions that will save you time and money. The best aspect of this book is that it is very easy to read and comprehend for everyone. Mr. Kessler is a sensitive, intelligent and overall well respected attorney who deals easily with all kinds of people and this talent is certainly reflected in this must-have book! By Ellen Widen Kessler Most people going through a divorce and their families, including anxious grandparents, have no idea of what will or could happen. This book spells out as complete a picture as possible for the parties and for the people who care about them. The information in this book is so helpful for everyone involved. In plain and specific language, this book details most of the challenges a divorce will entail. It alerts the reader to the pitfalls and the problems divorcing people will face and helps them understand the considerations involved. I recommend it completely to everyone, especially those who are divorcing and their parents, who often suffer almost as much as their children and grandchildren during and after the divorce.

A divorce may be the most important business and personal transaction that someone will go through in their lifetime. *Divorce: Protect Yourself, Your Kids, and Your Future* is a user-friendly guide that offers a roadmap to the often confusing and complicated divorce process. In clear, plain English language, author Randy Kessler helps explain the process to laypersons or clients who are unfamiliar with what to expect throughout the course of a divorce case. At the same time, he clears up some of the most common concerns and misconceptions that people have when they begin the process of separation and divorce. This guide helps you be fully prepared at the beginning of this journey, offering an easy-to-understand guide to the overwhelming process of divorce. It explains, step-by-step, the entire process of divorce, including: How to select an attorney The right questions to ask in order to help get the necessary answers Preparing for trial Child custody and child support issues Alimony and division of property What mediation is and how it works And much more.
