G. C. / Divry, C. G. Divry : Divry's New English - Greek and Greek - English Dictionary, Revised Edition

before purchasing it in order to gage whether or not it would be worth my time, and all praised Divry's New English - Greek and Greek - English Dictionary, Revised Edition:

0 of 0 people found the following review helpful. Good copy. Arrived fast very satisfiedBy M. PopePurchased as a gift. Good copy. Arrived fast very satisfied.1 of 1 people found the following review helpful. The 'Philopoemen' of Neo-Greek LexicaBy Orestes PapazisisSurprisingly prolific for its pocket size, it hails from an era when more was assumed and expected of a baseline educational background. One has been in my family for over three generations, and has served exceedingly well. It contains many technical terms, as well as older, traditional/classical word forms not covered by Oxford's disappointingly unambitious, plebeian, and folksy counterpart. I'm currently using it to assist in the translation of medical/scientific terminology. Sadly, they just don't make them like this anymore. It's a must for the library of anyone serious about learning demotic Greek, particularly from a professional perspective. Highly recommended.

Divry's New English - Greek and Greek - English Dictionary, Revised Edition [Hardcover] [Jan 01, 1978] Divry, G. C. / Divry, C. G.
