**DK Publishing : DK First Picture Dictionary: Spanish** before purchasing it in order to gauge whether or not it would be worth my time, and all praised DK First Picture Dictionary: Spanish:

1 of 1 people found the following review helpful. Muy bueno para los niños. By bossa nova Great for kids. For adult language learning, get the adult version of this idea by the same company, which is excellent and fun to browse through while waiting for appointments, etc. 4 of 4 people found the following review helpful. Good starting dictionary By dwilson540 Wanted to get a starting dictionary for a 6 year who is reasonably fluent in Spanish. This book is good for that age group because it clusters words by situation rather than alphabetically. Kitchen words for example or clothing. 1 of 1 people found the following review helpful. Really great. Pictures have English and Spanish words for the ... By TDEW Really great. Pictures have English and Spanish words for the item, plus a pronunciation spelling. There is also an A to Z index in English and another in Spanish. We could not be happier with this purchase!

This practical and engaging first Spanish dictionary introduces basic conjugation principles and the most common irregular verbs. Features colorful scenes with bilingual labels. Full color.
