**Annabel Gibson, Moray Laing, Jason Loborik : Doctor Who: Character Encyclopedia** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: Character Encyclopedia:

63 of 64 people found the following review helpful. Wonderful book for kids! (But there are better choices for adults). By Ex-Pat BritDK does it again! A terrific book that is best for kids. The book is smaller than the typical DK book, which makes it easier for young people to hold. As you would expect, there are photos throughout. There is one page per doctor or companion or other character with a nice, big central photo smack in the middle of each page. The text is in large characters and is easy to read. If you are in your teens or an adult, and you are interested in a similarly lavishly illustrated book, then go with "Doctor Who: The Visual Dictionary". If you are an older person more into having an encyclopedia of Doctor Who, then go for the "Doctor Who Encyclopedia". 0 of 0 people found the following review helpful. A must-have for any Dr. Who aficionado! By KatyKatMidwestWell, I cannot do an extensive review, as I am not the one for whom the book was purchased. However, this book was a BIG hit with my son, who loves all

things Dr. Who. It is loaded with all the facts and figures any Whovian would love to have. Very glad I bought it - no regrets at all. All thumbs up for this one! 15 of 16 people found the following review helpful. Nice little book with great pictures. By A. Weber This book is ok, lots of nice pictures but not so much facts. For a real Doctor Who Encyclopedia that gives a lot more information, I'd suggest trying; Doctor Who: The Vault: Treasures from the First 50 Years.

Timed for the series' fiftieth anniversary! A cult favorite around the world, Doctor Who is the longest-running science fiction television show of all time. Perfect for fans of the popular BBC show, the Doctor Who Character Encyclopedia has been created in full collaboration with the producers of Doctor Who, and shares detailed profiles of all eleven incarnations of the Doctor, as well as in-depth looks at his many companions, enemies, and adventures through the years.

"[The Doctor Who Character Encyclopedia] is organized in a novice friendly way and also gives one just enough information to not overwhelm or ruin a plot." Examiner.com "For a splashy look at the entire list of the Doctor's adversaries (and friends), check out the new Doctor Who Character Encyclopedia." PCMag.com "Each character receives a page with details about their involvements with the Doctor. This is an enjoyable book for new fans and old fans alike." Catholic Digest Magazine
