**Sarah Phillips : Dogs (Mini Encyclopedias)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dogs (Mini Encyclopedias):

The Mini Encyclopedias are an exciting new range of first reference books for young children thats packed with interesting facts and beautiful photography. Using dramatic photography, simple text and annotated diagrams, these books will fascinate and engage children as they learn about their favorite topics. With fun facts and a glossary of

terms, children will enjoy exploring and discovering more about amazing animals, the human body, nature, weather and life on our planet!
