of 3 people found the following review helpful. QUICK EASYBy ReadytoRead2Get the first three numbers of any zip code CORRECT and your mail is 90-percent on its way to the right doorstep. This handy little book lets you get those first three numbers FAST. And, yes, it even has all five numbers for all but the biggest cities (where the last two numbers depend on location, P.O.Boxes other variables.)0 of 0 people found the following review helpful. Five StarsBy dreamerVery handy to have. Have used it many times.
