**Ralph Ferrone : Don't Blow the Interview: How to Prepare, What to Expect, and How to React** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Don't Blow the Interview: How to Prepare, What to Expect, and How to React:

0 of 0 people found the following review helpful. A god-send By Charles Bourland I owned and operated a for-profit

group of computer training as well as electronics training schools. Most teachers are not experienced in job placement, so the question was, do I do it myself or hire someone. Let me tell you, had this book been available then, I would have given it to every student because they all came to the schools to get the next job and the school had an explicit promise to aide in that effort.

Whether you get the job or not is determined in the interview. . . .The job interview is the single most crucial step in the whole application process. In *Don't Blow the Interview*, you'll learn:-How to secure the interview, from rsum preparation to query letters and more-Ways to dress, walk, and talk for interview success-Common interview questionsand how to answer them!-How to deal with illegal questions about age, sexual orientation, family status, etc.-And lots more!*Ralph Ferrone's Don't Blow the Interview: How to Prepare, What to Expect, and How to React*is the ultimate resource for turning your next interview into a job offer.

In today's competitive market, interviewing well is an essential part of getting a job. *Don't Blow the Interview* helps to simplify the process with clear actionable techniques. Paul Caine, Publisher, *People Weekly* magazineIt's amazing how everything that is needed to succeed with the interview process is so clearly presented in this book. *Don't Blow the Interview* provides an excellent understanding for what the interviewer is looking for and how you can deliver the goods. Lou Cona, Vice President Publisher, *The New Yorker* magazineHere's how to prepare - and carry out - the winning interview for your successful job search whether you're a recent graduate or a veteran of the job market. This concise, on-target book tells you all you need to know to land the position you really want. Marshall Loeb, CBS Radio commentator and Senior Columnist, *MarketWatch*. Former Managing Editor, *Fortune* and *Money* magazines.Applicants who read this book and follow Mr. Ferrone's advice are the quality individuals that organizations like L3 Communications hire. This book has the real secrets to being hired - all the secrets to getting the job, that the other books left out. If you want to be a winner, this is the book you want! Frank Lanza, Chairman CEO, L3 Communications CorporationWho ever said that a career-strategy book has to be dull! Ralph Ferrone has blown a breath of fresh air into the most important room you may ever sit in - the interviewer's office. No one will ever need to be unprepared for that crucial interview with this wise, pithy, and indispensable guide at your elbow. Read this and the next words you may hear are, 'You're hired!' Landon Jones, Former Managing Editor of *People* and *Money* magazinesI have interviewed hundreds of candidates in my thirty plus years in the advertising business. I wish all the prospects had read this book! Job candidates young or experienced will find this book essential reading. It's all here, from developing an effective resume through post-interview follow up. Interviewers too should read *Don't Blow the Interview*. The interview questions alone are invaluable. Carl Kotheimer, Partner, *Horizon Media, Inc.*The author distills the essence of preparation and interviews into a simple, common sense easy to follow strategy. *Don't Blow the Interview* is a must read, especially for all graduating students. Those seeking employment should invest the time to learn how to market themselves to prospective employers. This book is one of the best investments you can make in your future. Mark Klein, CEO, *Ladenburg Thalmann Company, Inc.*From the Back Cover" In today's competitive market, interviewing well is an essential part of getting a job. *Don't Blow the Interview* helps to simplify the process with clear, actionable techniques."Paul Caine, publisher, *People* Whether you get the job or not is determined in the interview. . . .The job interview is the single most crucial step in the whole application process. Learn about:-How to secure the interview, from rsum preparation to query letters and more-Ways to dress, walk, and talk for interview success-Common interview questionsand how to answer them!-How to deal with illegal questions about age, sexual orientation, family status, etc.-And lots more!About the AuthorRalph Ferrone is the author of the critically-acclaimed book, *Don't Blow the Interview*.
