**Tad Wheeler : Don't Do That To A Woman!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Do That To A Woman!:

Dont Do That To a Woman! is a wickedly fun mystery novel that will keep readers guessing until the very last page. In it, author Tad Wheeler has created a suspenseful drama of women overcoming pain and suffering and having the

imagination and power to get retribution for attempted murder and to stop an escaped rapist from striking again. The author grabs your interest on page one and never lets go as he intertwines a young womans skills in the martial arts with a story of deception and intrigue all at a time when aging is controlled and the adversary of evil is growing younger and stronger. In the end it becomes a dual between just another murder and the perfect revenge.
