0 of 0 people found the following review helpful. Finding a good career coach is even harderBy KfanFinding a new job is hard. Finding a good career coach is even harder. If you can't find a good coach or can't afford a good coach the DEIU guide is truly the next best thing because it's FULL OF ACTIONABLE IDEAS not just page and pages of advice that you then have to figure out how to apply. The journal does it for you. The weekly format breaks down the

key steps and tasks a job seeker needs to do. It provides a way for you to track your progress so you can see where you've been and what else you need to be doing. Finding a job is one of the most daunting tasks no matter where you are in your career, and everyone can always use a little guidance. This journal will help you save time and tears of frustration! 0 of 0 people found the following review helpful. Highly effective tool. By Phillipa Wilcox This is not a book of theory, it is a practical workbook and guide. It is the next best thing to having a personal career transition coach. I would recommend this to my clients to help take the mystery and fear out of a seemingly daunting task of finding your next role. Maybe even landing your dream job!

Searching for a new job can be daunting, especially if you don't know the path to drive success. The DEIU team has designed an integrated daily plan to achieve the optimal job as quickly as possible. Based on insider tips and over 15 years of best practices and coaching, our job search methodologies are layered with some fun and irreverent tips too. Because at the end of the day, we don't want you to eff up your job search! Use our tactical job search planner to find a more fulfilling job quickly! Cheers to effing, unique you for embracing the journey to your new career!

About the Author Michele Gorman is a Senior Career Management Coach.
