Donna Kooler : Donna Kooler's Encyclopedia of Sewing (Leisure Arts #15960): Hand Machine Sewing: 12 Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Donna Kooler's Encyclopedia of Sewing (Leisure Arts #15960): Hand Machine Sewing: 12 Projects:

3 of 3 people found the following review helpful. Sits on my desk, not on my shelf. By K. Hatch This book was even better than I was hoping for! I've been sewing for years but sometimes I still come across terms I don't completely understand. Just flicking through this after it arrived I FINALLY figured out what two different terms meant. This is great for new sewers, and for people who have been at it for a while, but don't necessarily dabble in all types of sewing

(i.e. clothing making vs. quilting etc.) 1 of 1 people found the following review helpful. Encyclopedia of Sewing By RWSutley Excellent reference book with fantastic photos and diagrams to follow. It has broadened my knowledge and increased my interest in trying new sewing techniques. Highly recommend! 2 of 2 people found the following review helpful. Good book By AmandaRLots of info in this book. Really a great resource. Textbook like, not really something you sit and read straight through.

[i]Donna Kooler's Encyclopedia of Sewing[/i] is a must for everyone who sews, no matter what their skill level. In the elegant style of Kooler Design's four previous encyclopedias, these 240 pages are wonderfully filled with the history of sewing, basic techniques, custom details, quilting, home decor and embellishments. Also included are garment techniques with small-scale practice patterns, and 12 projects by top designers, with something for every skill level. Projects include a retro apron, mixed-media purse, simple skirt, embroidered quilt, and casual jacket, among others. Beautiful photography and easy-to-follow techniques make this a required addition to any sewing library.

About the Author Donna Kooler, president, designer and creative director is also the founder of Kooler Design Studio, Inc. On this fifth encyclopedia in the series for Leisure Arts, Donna teamed with editor and text writer Susan Beck as well as history writer Nicole Scalessa. Numerous designers and the Kooler Design production team bring together today's most comprehensive overview of sewing.
