Michael Howard : Drafting Commercial Contracts: Legal English Dictionary (Legal Study E-Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Drafting Commercial Contracts: Legal English Dictionary (Legal Study E-Guides):

0 of 0 people found the following review helpful. One can probably do better on the Internet By Phil O. This is a VERY skinny little book. Every entry could use a little more depth, to justify its BEING a book. That said, the descriptions

are not affirmatively bad.0 of 0 people found the following review helpful. Highly Recommended For Law Students
By Usmy Indiana I was very nervous about starting law school soon, so I bought this book to prep myself before I start my journey as a law student. This book has been really, really helpful because it turns such a complex and overwhelming subject into something easy to understand. There were also lots of explanations and interesting case studies that really makes the book interesting to read. It is also very engaging and gives a good overview of key elements in civil litigation. Micheal Howard, the author, has done a good job in translating his experience as a lawyer and an English teacher into a comprehensive easy-to-follow guide for foreign lawyers and aspiring lawyers. I'm much prepared and confident to start law school now!

*INTERNATIONAL legal English dictionary for lawyers and law students around the world * OVER 150 legal English terms and phrases on drafting commercial contracts * WRITTEN by a UK qualified lawyer and English teacher * PERFECT preparation for ILEC and TOLES exams * EXPLAINS concepts and topics taught in English university law programs * INTRODUCES complex contract drafting legal English in easy-to-understand ways * HELPFUL in dealing with day to day legal English words and phrases using practical examples This Legal English dictionary is designed to help international lawyers and law students understand legal English as practiced in the UK and around the world. Readers learn the basic principles, terms and concepts that underpin law, then discover how those ideas can be applied in practice. The dictionary introduces technical subjects in easy to understand ways. Learn English legal vocabulary while studying the same topics taught by English legal courses. Great for those working in law whose first language is not English. Click "Buy Now" and improve your commercial contract vocabulary !

About the Author Michael Howard is a solicitor and legal English lecturer from London. He grew up in Surrey, England and qualified as a solicitor in 2005. After many years of legal practice he decided to travel around Europe and the Middle East lecturing law and teaching English. His travels took him to Poland, Germany, Dubai, Abu Dhabi and finally back to the UK where he was invited to teach legal English to foreign lawyers and law students at Cambridge University. Michael now works in legal publishing and spends his free time writing dictionaries and exercise books to help foreign lawyers improve their legal English.
