Helpful Reference BookBy Creative Gall am taking classes toward obtaining an Avocational Certificate in Archaeology and find this book to be a good reference when questions arise concerning sketching artifacts. It covers most items that can be found in both surface surveys as well as excavations.1 of 1 people found the following review helpful. A Fine Birthday Gift for a Budding ArchaeologistBy Gary KenoshaThis book was requested and well received. It has clear illustrations and hopefully will assist my daughter in building her archaeological skills towards graduation.

This ever popular handbook is aimed at students and others who wish to learn the techniques of artefact illustration, regardless of ability or previous experience. It includes comprehensive advice on many aspects of archaeological artefact illustration from equipment and materials to the preparation of finished artwork for printing.
