Adam McDowell : Drinks: A User's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Drinks: A User's Guide:

4 of 4 people found the following review helpful. A fun and informativeBy David J McDowellWritten by one of my kids so I gave it 5. A fun and informative book3 of 3 people found the following review helpful. OH, NO, I've created a monster.By Tess HamerslyI bought this as a Christmas gift for my husband, and OH, NO, I've created a monster. He went out and bought an entire bar worth of tools and we are trying new cocktails every day. He keeps the book by his bedside and has already read it cover to cover, sometimes cackling like a loony at the Mr. McDowell's inspired and clever righting2 of 2 people found the following review helpful. InterestingBy LookoutGood read with interesting suggestions

Expert Drinking Made Easy This engaging guide demystifies the art of ordering, preparing, and serving wine, beer and cocktails so you can drink like a boss every time. You'll learn how to: Equip and stock a home bar Make a flawless martini Order wine without dying a little inside Choose a delicious sparkling wine instead of springing for Champagne Buy Scotch for the boss, and for yourself Whether you're hosting a cocktail party, attending a business lunch, or relaxing with friends at the local brewery pub, you'll gain the confidence to know exactly what you love to drink and serve. And if you want to know how to mix an Old Fashioned on an airplane, that's in there too. Bottoms up!

A thoroughly useful and enjoyable compendium of drinking lore and knowledge, with an ample dose of much-needed cynicism, too often lacking in books of this type. --Philip Greene, co-founder of The Museum of the American Cocktail and author of *To Have and Have Another: A Hemingway Cocktail Companion* "There is, as yet, no perfect user's guide for life. But for the many moments in our lifetimes when a decent drink is required—whether it's a crisp pilsner on a summer afternoon, a glass of champagne on a special day, or a dry martini when the clock strikes five—Adam McDowell's *Drinks: A User's Guide* has you covered." --Paul Clarke, executive editor of *Imbibe* magazine, and author of *The Cocktail Chronicles* "If you don't know how to drink, this book is for you. If you do know how to drink, this book is also for you, since everyone is sure to be charmed by Adam McDowell's sage and friendly advice about what to order, in any setting. After years of tweaking his philosophy of drink, McDowell has finally shared his accumulated knowledge in this invaluable resource. Not since Kingsley Amis has reading about drinking been this much fun." --Christine Sismondo, author of *America Walks Into a Bar* About the Author Adam McDowell is the booze columnist for *The National Post*, where his weekly advice on beer, wine, and cocktails has appeared since 2006. He is also the regular drinks expert on television's *The Social*, a daytime talk and lifestyle program. He is based in Toronto.
