0 of 0 people found the following review helpful. not a good resource for coverletter writingBy marigee321Disappointed with this book. It is very short and recommends using a lot of personal pronouns Such as 'I' which does not sell the benefits you have to offer the employer and why they should hire you.I should Have bought cover letter magic instead0 of 0 people found the following review helpful. Excellent!By BabylonviewsThis guide is excellent! I wish I had come across it a couple of years ago instead of just last week! It is filled with so many great recommendations and lessons how to write significantly better cover letters. I am buying another copy for friends looking for a job.0 of 0 people found the following review helpful. Great resourceBy William M. TherrellThis is a great resource for writing great cover letters. Thanks to what I learned I have written several cover letters that have received great feedback from employers. Definitely a must buy!!

This popular guide contains everything you need to create a stunningly effective cover letter. The first edition of **DYNAMIC COVER LETTERS** helped over 100,000 job-hunters dress up their resumes and job applications with the kind of spirited, informative letters that employers respond to. And respond they did with interviews, job offers, and high praise. Now, this updated, expanded edition takes on the most vital issues in the professional world today, such as job-hunting on the Internet, as well as the rock-solid basics that readers have come to depend on.
