Ronald L. Krannich : Dynamite Resumes: 101 Great Examples and Tips for Success before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Dynamite Resumes: 101 Great Examples and Tips for Success**:

The fourth edition of this best-selling guide shows how to transform an ordinary resume into a dynamite resume that grabs the attention of employers and results in job interviews. Dispelling numerous myths and mistakes, the book identifies 64 key principles for effective resume writing, production, distribution, and follow-up as well as includes numerous examples based upon those principles.

Excerpt. Reprinted by permission. All rights reserved. There's a revolution in the air. The train has quietly left the station, and you had better be on it. If not, plan to catch it soon. Today's job search revolution is unlike any other we have seen. It has important implications for planning how you will best communicate your key qualifications to employers via a resume. Get Ready For the New Job Market. This train only admits holders of dynamite resumes. These are resumes for the 1990's and into the 21st century-they are read by street-smart employers as well as optically scanned by new search and retrieval software. Indeed, you'll need a dynamite resume to ride this new train to job search success.
