So if a teacher really wants to improve one's conversational skills , easy american idioms will make a huge difference !!! 0 of 0 people found the following review helpful. Nice way to learn By Adriana Rodriguez F. It's a nice

audio. Really smooth and easy to listen, learn and study. I like the situations and the way they explained using new vocabulary. 3 of 3 people found the following review helpful. Easy for secondary language learner
By InkerI learned a lot of American idioms from the CDs while playing them in my car. It worth every penny that I spent. Highly recommended if a foreigner want to speak like an American. I only found Intermediate ESL level on the market. Anyone know that Living Language has published the higher level version?

"It slipped my mind," "Don't fly off the handle," and "I'm counting on you" are just a few of the idiomatic expressions that native English speakers use on any given day, but that can completely confuse non-native speakers. Easy American Idioms cuts through the confusion and teaches natural-sounding conversational English. The lessons in Easy American Idioms focus on everyday situations: meeting people, expressing likes/satisfaction, expressing dislikes/displeasure, working, shopping, socializing, sports, television, going out, and more. Each section features useful and appropriate idiomatic expressions with dialogues interspersed between lessons. **KEY FEATURES:** Package includes a booklet and 4 CDs, all for only \$24.95. Easy-to-relate-to dialogues that focus on everyday situations and events. Simple, clear lessons and dialogues.
