Riccarda Saggese : Easy Italian Reader, Premium 2nd Edition: A Three-Part Text for Beginning Students (Easy Reader Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Italian Reader, Premium 2nd Edition: A Three-Part Text for Beginning Students (Easy Reader Series):

2 of 2 people found the following review helpful. you should be able to look up the words you don't know (the ones that aren't defined) and be fine. It comes with crosswords too
By Lauren M. Not for true beginners. I've been slowly (very slowly) learning Italian for about 2 years and I had trouble with quite a few words and a little bit of sentence structure. If you already have a foundation to go off of, you should be able to look up the words you don't know (the ones that aren't defined) and be fine. It comes with crosswords too which is fun.
1 of 1 people found the following review helpful. This excellent book was chosen by my wife's Sons of Italy Italian language teacher as a good book to start learning Italian with
By Walter and Louise After trying a couple of other potential textbooks and various other teaching material, the class, taught by a retired Italian Language Professor was chosen to a group of members to use as she started teaching them an hour a week, and it must work, because my wife can now speak Italian with her teacher and is getting ready for an eventual trip to Italy. My ease of learning languages is near zero, so she will do the talking for us.
2 of 2 people found the following review helpful. Great book!
By N. Merzhvynska The best way to properly learn foreign language is actually listen to what one is reading! There is well-known rules in learning and memorizing: the more senses one can engage the better result will come. I cannot even imagine this book (or any other study guides) without a CD-ROM, even if I have a privilege of a constant presence of a native speaker.
The Easy Italian Reader consists of three parts (3-5 texts each), Answer Key, and Italian-English Vocabulary. The book takes reader on a voyage of mastering the language by gradually increasing its structure in volume and difficulty. For example:
Units 1-4: Text A. Questions (to reply) B. Questions (to write answers)
Unit 5: same as above, plus extra text, extra questions, and crossword added.
Further units enriched with dialogues, True-False questions, historical references, short novels etc. The CD offers not only audio but actual text in Italian and its translation in English. Simple and helpful - I love it!

Enhance your Italian reading skills with this primer for premium results! Easy Italian Reader Premium is based on the premise that the best way to learn a language is to start reading it, immediately. Suitable for raw beginners to intermediate-level language learners, the new premium edition of this bestselling title features engaging readings of progressive difficulty that allow you to rapidly build comprehension. Available online the flashcard sets of new vocabulary for every reading and a 1,500 entry digital glossary. Quickly build comprehension Listen to audio recordings of more than 50 readings from the book available online and on the app Record your answers to review questions, then compare your pronunciation to native speakers
