A bit smallBy Don HenschellIt probably has the detail needed for 'on the road' travel, and easy to handle and fold in the seat of an automobile, but it's a little smaller than I'd hoped and will need to be supplemented with state maps. The ad probably states the exact size, and I just didn't look at it. On the other hand, while I already have state maps, I needed something to display the whole region . . . and this map does the trick!0 of 0 people found the following review helpful. I thought the maps would be larger for each state; since the states I am interested in are quite small the detail was lacking.1 of 1 people found the following review helpful. Like better than my navigation app!!!!By CustomerGreat durable map. Traveled through New England and used it frequently!!!! Better than my navigation system for getting the "big picture"!!!

Durable, convenient Rand McNally EasyFinder maps will take all the wear and tear your journey can dish out. The New England EasyFinder features clearly indicated highways, county boundaries, streets, points of interest, national parks, and more, with a quick-reference legend and a city index. Laminated design allows you to mark your route, make notes, then wipe the surface clean for further use Map easily folds to display individual sections, and eliminates the headache of refolding a paper map in the car Highways, county boundaries, streets, points of interest, national parks, and more shown on mapProduct DetailsMeasures 9" x 4.25" folded; 18" x 17" unfolded.
