Rand McNally : Easy To Fold: New Jersey before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy To Fold: New Jersey:

1 of 1 people found the following review helpful. Too small, unusable. By 1 values 1 It is too small. It needed to be a triple fold down, not just a double fold down. Too much information crowded together. Unusable for me, so I tossed it. I did not rate it lower because it was well made and might be useful to some people. 5 of 5 people found the following review helpful. Better than Google! By Profesor Colibr Yes. I know it's "old fashioned"...but there are times when a good road map gives you a better picture of where you are and where you have been than anything else. This one certainly does this in a clear way. 0 of 0 people found the following review helpful. Great idea but didn't work By Rain Catcher Was expecting something I could use while traveling to be a quick check on trip navigation to augment the GPS. Great idea but didn't work, the print is too small and the cut lines too distracting to help.

The durable and convenient New Jersey EasyToFold state map will take all the wear and tear your journey can dish out. The heavy-duty laminated design allows you to mark your route, make notes, then wipe the surface clean for further use. This is a must-have for navigation whether you're a state resident or just passing through. Easy to fold means no fumbling Heavy-duty lamination allows you to write on, wipe off Durable and tear resistant Folds to display individual map sections Full-color maps with enhanced cartography Clearly indicated highways, county boundaries, points of interest, and more Quick-reference legend and city index Product Details Dimensions: 9" x 4.25" folded; 18" x 17" unfolded
